

MEET KRYSTINA, OUR PASSIONATE AND CARING DENTAL HYGIENIST

Whether you've been visiting our office for many years or are a new face, you've likely had the opportunity to meet our registered dental hygienist, Krystina. Krystina has worn many hats around the office and has the special ability to impact every patient she works with positively — she's a gem ... [CONTINUE READING](#)

THE BENEFITS OF WISDOM TEETH REMOVAL

Wisdom teeth, also known as third molars, are the last to emerge in the back of your mouth. While they can be beneficial, most people experience complications with their wisdom teeth and must consider removing them. Wisdom teeth removal is a standard procedure in our office that can significantly benefit your oral health. Here are a few ways that extracting wisdom teeth can help improve your oral health ... [CONTINUE READING](#)

KEEP YOURSELF SAFE WHILE TRAVELING ALONE

Traveling alone can be a memorable and adventurous experience — it's a great way to step outside your comfort zone and continue learning about yourself. While solo travel is chock-full of exciting perks, staying alone in a hotel can be dangerous if you aren't careful to take certain safety precautions. The next time you take a trip by yourself, keep these tips in mind! ... [CONTINUE READING](#)
